Expected May 2029

GPA: 4.17/4.33 | Dean's Honor List Fall 2025 - Spring 2026

Relevant Coursework: Accounting & Finance, Intermediate Microeconomics, Intermediate Macroeconomics, Calculus III, Foundations of Data Science, Intro to Computer Science & Programming (Java)

Brighton College | Brighton, UK | *A-Levels: Econ, Further Math, Physics & EPQ (AI - Indian stock market)*

Aug 2023 - Jun 2025

Honors & Awards: Young Economist of the Year 2024 (top 25/3000); Distinction, Girls Math Olympiad UKMT; Distinctions for Economics & Mathematics Excellence (x7); Duke of Edinburgh Gold Award

PROFESSIONAL EXPERIENCE

Grant Thornton | Delhi, India | *Deals (Lead Advisory) Summer Intern*

Jul - Aug 2026

- Built a competitive landscape of 55 plywood & laminate companies, spreading growth, margins, ROACE & NWC days to rank peers.
- Identified Stylam as the peer benchmark: ~19% EBITDA margin, ~28% ROACE & net cash vs. scale leaders at <9% ROACE.
- Found Greenply runs ~43 NWC days vs. 100-270 for unlisted plywood peers earning 3-6% EBITDA margins.
- Derived revenue-per-sheet from capacity & utilization; ~2x spread (INR 650-1,326) split premium from commodity brands.
- Screened 721 building-materials deals (PrivateCircle) by sub-sector & product mix to define the comparable universe.
- Built a 60-company origination list, mapping founder-, director- & CFO-level contacts with revenue & EBITDA profiles.

Laidlaw Scholars Research, Barnard College, Columbia University | New York, USA | *Research Scholar*

May 2026 - Sep 2028

- Selected as one of 20 at Barnard for the research & leadership programme focused on global development & impact-driven research.
- Surveyed 36 Indian MSMEs on bank vs. non-bank lending; bank borrowers more often added jobs after borrowing (49% vs. 17%).
- Found non-bank lending faster & lighter: approval speed 2.0 vs. 3.2 & paperwork burden 3.0 vs. 3.5 (5-pt scales).
- Found banks were chosen for trust (66%) & rates (47%), while non-banks won on speed (83%) & lighter paperwork (67%).

Bajaj Finserv (NBFC) | Pune, India | *Financial Analyst Intern*

Jul - Aug 2024

- Found US 10-yr yields ~1.8x more volatile than India's (SD 1.01 vs 0.57) over a decade to inform housing-finance rate risk.
- Authored a monetary policy report tracing repo, reverse repo & SDF rates through to lending, deposit & EMI rates.
- Projected repo & SDF holding at 6.50%/6.25%, helping Bajaj Housing form short- & long-term rate views.
- Found Indian public debt spiked 13.4pp to 88.4% of GDP in 2020 across 10 years of borrowing data; presented to a dept. head.

LEADERSHIP & ACTIVITIES

Butler Bets, Campus Prediction Market (butler-bets.vercel.app) | New York, USA | *Co-builder*

Jun 2026 - Present

- Co-built a play-money prediction market for Columbia & Barnard students (Next.js, Supabase, Vercel); 8 markets & 5 leagues in beta.
- Designed & shipped Hanson's LMSR market maker so prices update from trades with liquidity at any size.
- Beta-tested pricing & dispute resolution with students; fixed backend issues from security reviews, including school-email-only sign-up.

Girls into Venture Capital, Columbia University | New York, USA | *VC Fellow*

Feb 2026 - Present

- Completed a 10-week VC fellowship, pitching two startups, including Footprint AI, on market, competition, growth & valuation.
- Helped grow Columbia's chapter through club-fair & social-media outreach; proposed stock pitch & technical workshops.

Columbia Emerging Markets Review, Columbia University | New York, USA | *Researcher & Writer*

Oct 2025 - Present

- Authored analysis of the \$20bn Dangote refinery: refined imports fell from 500k to 88k b/d, weighed against output & crude supply risks.
- Authored a paper arguing Mexico's record nearshoring FDI is outpacing infrastructure: 0.1% transmission growth vs 3.5% demand.

Utopia (Non-Profit) | Kota, India | *Co-founder*

Dec 2020 - Present

- Co-founded a nonprofit delivering co-curricular programming to ~120 students across 3 rural government schools in Rajasthan.
- Designed & taught curricula in debate, photography & science; host interschool debate competitions & sports days.
- Earned statewide recognition; recommended to the District Education Officer for adoption across state-run schools in Kota.

VibeHack - Women's Health x AI, NY Tech Week | New York, USA | *Team Member & Builder*

Jun 2026

- Co-built Prevya, an AI platform for endometriosis & PCOS, in a team of 3; owned backend development & the business model.
- Developed & pitched market sizing, pricing & financial projections; built with Supabase, Lovable & ElevenLabs.

STEM Publications | Mussoorie, India & Brighton, UK | *Founder & Editor-in-Chief*

Aug 2022 - Apr 2025

- Founded From Stardust, building & leading an editorial team of 30; served as Editor-in-Chief of Hubble, leading a team of 15.
- Published 10+ issues across both publications, growing a social following of ~2,000; established a global STEM competition.

Entrepreneurship Challenge, Brighton College | Brighton, UK | *Chief Financial Officer*

Nov 2023 - Apr 2024

- Led financial strategy in a team of 12, building a 2-year cash-flow model & analyzing costs & pricing for an eco-friendly product.
- Delivered a 10-minute financial-research pitch, winning £3,333 to help expand the business.
